EDUCATION

University of California Berkeley

Bachelor, Electrical Engineering and Computer Science **GPA: 3.63**

Berkeley, CA

June 2015 - Present

SKILLS

- Leadership: Consistently participated in a mentoring experience for high school students.
- Communication: Outstanding skills obtained through customer service experience at a bank.
- Computer: MS Word, MS PowerPoint, MS Excel, MS Access, and Adobe Photoshop.
- Programming: Python, Java, JavaScript, HTML&CSS; familiar with Scheme and SQL.
- Writing skills: Efficient in producing concise, organized reports, labs and memos.
- Language: Fluent in English, Swahili, and Kalenjin—a Kenyan local language.

ACCOMPLISHMENTS

- Was the Academic Captain of my high school during 12th grade and emerged the best student out of 297 students.
- Proficient in accountability and became the senior cashier among permanent staff despite being a student intern.
- Developed games and Scheme language interpreter in Python.
- Worked with Equity Bank's mentoring team to support high school students sponsored by the bank in collaboration with the MasterCard foundation.
- Developed a project with two friends—Mentor Abroad—to encourage scholars from Africa to apply for education opportunities in the US, Canada and Europe.

EXPERIENCE

Equity Bank

Cashier

Nairobi, Kenya

March 2013 - June 2015

Worked as a cashier, receptionist, and a marketing officer. I also joined a mentoring team as a part time experience.

World Speed Cyber Cafe

Operator

Kericho, Kenya

January 2013 - March 2013

Ran a cyber cafe for two months and a half providing internet, printing, photocopying, designing, typing services and resolving minor computer hardware and software problems.
